

Obstacle Course Rules

1. Pay your entry fee, \$20, and fill out the liability waiver.
2. Pair up with your escort, if you do not have one, we will find one for you.
3. Before getting in the water, please study the course layout.
4. One diver at a time goes completely through the entire course.
5. The escort should always be in position to assist the diver.
6. Except for the Fun House, the obstacles are designed to break apart with excessive force. Do not struggle if entangled! The escort will assist you.
7. You cannot move slowly enough through this course!
8. The entire course should take you approximately 45 minutes to complete per diver.
9. If you complete the course once and are feeling confident, try removing your mask and going through it again.
10. Good buoyancy control is critical before entering an obstacle.
11. Except for the Engine Room, escorts are to assist not interfere.
12. It is important that the escort recognize when a diver needs assistance. If you do not feel qualified to be an escort, please tell us.
13. Have fun!!
